Dr. R. A. Falconer, President,
Toronto University,
Toronto, Ont.

Dear Sir:

The Principals of the High Schools and Collegiate Institutes of Ontario intend to hold a banquet at Mc Conkey's on Tuesday evening, April 14th, at 5.30 o'clock, and I have been requested to invite you to be present on that occasion, as our guest of honour, and to deliver an address.

Our committee realizes the heavy burden placed upon you as President of our Provincial University and the difficulties you must experience in responding to the many outside calls that come to you. We are, therefore, holding our dinner at an early hour and expect to be through by 8 o'clock so that those present may be able to attend any other meeting at that hour.

Will you be kind enough to let me know, at your convenience, whether or not you will be able to be present at our meeting?

Yours respectfully,

J. D. Dickson

President, Principal's Section.

J. D. Dickson, Esq., B.A.,
101 Second Avenue,
Niagara Falls, Ont.

My dear Mr. Dickson:

I appreciate very highly the invitation of the
Principals of the High Schools and Collegiate Institutes to be your
guest of honor at your banquet on April 14th, at half past five.
It gives me much pleasure to accept. The only proviso I should
like to make is that I think it will be necessary for me to get away
a little before eight, as Dr. Cope is to speak that night, and he is
to be my guest. Have you any special subject on which you would
like me to give an address ?

With kind regards, I am,

Yours sincerely,

President.
